## 1.1 HEALTH, SAFETY and ENVIRONMENTAL POLICY

This policy is the basis upon which the Health and Safety activities of the company were founded. The company's objectives and methods are clearly stated, and apply to every aspect of business activities.

### 1.1.1 General Statement on Health Safety and Environmental

At BBC Chartering & Logistic, we value the wellbeing of our employees, contractors, customers, the ports in which we operate and the environment. We are committed to responsible management practices that minimize any adverse health, safety or environmental impacts arising from our activities or services. We have in place a Health, Safety and Environmental management system for all our activities that drives continual improvement.

The HSE Management System outlines HSE accountabilities to implement this Policy and requires that we:

- Identify and manage risks to as low as reasonably practicable where they have the potential to cause an accident, injury or illness to people, or unacceptable impacts on the environment or the community;
- Provide safe work places and systems of work, empower employees and contractors to address unsafe or hazardous situations and carry out their work in a manner that does not present a risk to themselves, others or the environment;
- Support the recovery and rehabilitation of employees in the event of work related injury or illness;
- Set objectives and targets which promote the efficient use of energy and resources, the minimization of wastes and emissions and the prevention of pollution;
- Ensure compliance with relevant HSE legal requirements and other commitments;
- Require Contractors to manage HSE using standards and practices that accord with this Policy;
- Regularly review and report HSE performance.

In implementing this Policy we will engage with our employees, contractors, suppliers, business partners, customers and Government
