Ref: **BBC Andino Express Line: Low Sulfur Surcharge and General Rate Increase Notice**

Dear Customers,

BBC Chartering announces a Low Sulfur / Bunker Adjustment Surcharge and General Rate Increase due to the significant increase in fuel prices and the sustained rise in operational costs. Therefore, we will be implementing an adjustment to the below-stated surcharges effective **April 17, 2022**. The surcharges will apply to all southbound shipments for the BBC Andino Express Line Service between the United States and West Coast South America, effective for Ecuador, Peru, and Chile.

Low Sulfur Surcharge
