

JOB ADVERTISEMENT

BBC Chartering is one of the world leading companies in transportation of non-containerized goods, head-quartered in Leer, Germany. We operate a diverse fleet of more than 150 modern multipurpose vessels with lifting capacities up to 1400 mts in 30 offices around the world. We are constantly developing the portfolio of vessels with a substantial new building program where the trend is larger vessels with higher lifting capacity.

For our office in Houston, we are looking for:

Chartering Broker (m/f/x)

Your main tasks are:

- Develop and maintain relationships with customers and brokers
- Fixing of BBC controlled tonnage
- Negotiate spot parcel combinations and new COA business
- Market research
- Maintain contact with business partners

Your key qualifications:

- You are trained and educated in a shipping company and have experience from a similar position
- You have the capability to handle numerous projects simultaneously and see changes as opportunities
- You have a fluent command of both written and oral English
- Ability to handle a fast paced working environment where the waves at times can be high
- Computer literate, skills with IMOS would be an advantage
- 5 years experience in chartering of multipurpose and heavy lift vessels
- Authorized to work in the United States without sponsorship
- Fluent in English in written and oral
- Excellent problem solving skills and highly analytical person
- Good teamplayer

If you like to work in a highly- motivated team with pleasant working conditions in an open atmosphere and you fulfill the above exigencies, please send your application indicating your earliest date of entry and salary expectations to the following address:
